

**AMENDMENTS TO THE DRAWINGS**

Figure 1A was objected to because reference numerals 125 and 130 both designate the photoresist layer. Figure 1A was amended such that reference numeral 125 refers to the ARC layer and reference numeral 130 refers to the photoresist layer, in accordance with the specification. A replacement sheet is included herein, but because this response will be transmitted by facsimile, a clean replacement sheet on A4 paper will be provided with a later filing.
